The Foundation during the year under reference has purchased Medical Equipments, worth Rs.1,32,33,769/-. In the development program, the Foundation during the year has installed the Blood Bank Component Laboratory (Blood Transfusion Medicine Department) and purchased most of the required medical equipments. The Foundation is hopeful to get the License for the operation of the blood bank in near future. In other major equipments, the foundation during the year has purchased C.R.R.T. Machine, Colour Doppler Ultra Sound System, Neuro Drill System, etc.

The healthcare unit of the Foundation is in operation since 1989. The major area of the healthcare operation such as Operation Theater, Emergency Ward, ICCU / ICU & other Major Wards require the infrastructure and furniture renovation. For that budget of Rs. Six Crores has been approved in the Executive Committee Meeting.

I am pleased to inform that the development of the Research activities; it has been approved to construct the Auditorium with the capacity of about 110 participants capacity. Till date of this report, the Auditorium is fully equipped and ready for use. Further during this financial year, the Foundation has completed the total renovation of ward - F wing, A wing, Physiotherapy Dept.

The Foundation has been able to provide financial assistance for healthcare to the poor, to the tune of Rs. 33,04,884/- which includes a relief received by the patient of Foundation to the tune of Rs. 22,88,000/- from Dardionu Rahat Fund, Rs. 5,02,312/- received from Bharat Vikas Viklang Parishad and direct relief from the Late Shree Ratubhai Adani Poor Patient Relief Fund Rs. 5,14,572/-.

The Foundation is fortunate to get the support of the Donors and I am thankful to our Donors for their generous support to the Foundation. I appeal them for the similar support in the coming years.

Our Research activity component has continued to do the excellent job during the year of report under the guidance of Research Advisory Committee and Ethics Committee of Research, before which are placed proposed projects every year for approval

or otherwise, the interim reports of the ongoing research projects and the final report of the completed projects. During the year under report eight newly proposed research projects were placed before the Research Advisory Committee. Interim reports of three ongoing projects and final reports of Sixteen completed Research Projects were also placed before the Research Advisory Committee. The Institution has been involved in Clinical, Laboratory, Field research projects etc.

We intend to continue to widen the spectrum of Research & Health care activity, continuing our efforts of development in future.

Our Foundation has continued its efforts during this financial year, as in the past in its mission of serving and providing good health care to the community at large and undertaking Research activities with support of all concerned.

I am thankful to the Benevolent Donors, Members of the Board of Trustees, Governing Council, Members of Research Advisory and Ethics Committee and Honorary Consultants for their kind help and support to this Foundation. I am also happy that all Medical, Paramedical, Administrative and all other Categories of staff have sincerely contributed to the development of the Foundation.
