Dear Members,

I am pleased to place before you the 31st Annual Report of DR. JIVRAJ MEHTA SMARAK HEALTH FOUNDATION, for the year ending on 31st March, 2015, along with some of highlights of the progress and activities of the Foundation, covering the period of this report.

I am pleased to announce that during the year the foundation has received the Research Corpus Donation to the tune of Rs.4,07,65,201/- and from that the Foundation has purchased Medical Equipments, worth Rs.1,78,85,900/-. Which includes the equipment for Sonography, Endoscope & Ultra sound system (Color Doppler). Efforts are being made to upgrade and modernize Histopathology dept. with Microtome & Floation bath. To match with the current requirement the out dated DOS base computerized programme are now replaced with Window based Pathoplus software.

The foundation is being fortunate to get the support of the Donors and I am thankful to our Donors for their generous support to the Foundation. I appeal them for the similar support in the coming years.

The Foundation has been able to provide financial assistance for healthcare to the poor, to the tune of Rs.30,18,796/-which includes a relief received by the patient of Foundation to the tune of Rs. 23,62,100/- from Dardionu Rahat Fund, Rs. 4,61,555/- received from Bharat Vikas Viklang Parishad and direct relief from the Late Shree Ratubhai Adani Poor Patient Relief Fund of Rs. 1,95,141/-.

With the good team efforts, the foundation has received the renewal reorganization certificate from Government of India Ministry of Science and Technology, department of Scientific and Industrial Research Organization, New Delhi (SIROs) for the further period of Three years ending on 31st March 2018. Our Research activity component has continued to do the excellent job during the year of report under the guidance of Research Advisory Committee and Ethics Committee of Research, before which are placed proposed projects every year for approval or otherwise, the interim reports of the ongoing research projects and the final report of the completed projects. During the year under report nine newly proposed research projects were placed before the Research Advisory Committee. Interim reports of eight ongoing projects and final reports of four completed Research Projects were also placed before the Research Advisory Committee. During the year Operational activities involved in Clinical, Laboratory, Field research projects etc. has remained satisfactory.

We intend to continue to widen the spectrum of Research & Health care activity, continuing our efforts of development in future.

Our Foundation has continued its efforts during this financial year, as in the past in its mission of serving and providing good health care to the community at large and undertaking Research activities with support of all concerned.

I am thankful to the Benevolent Donors, Members of the Board of Trustees, Governing Council, Members of Research Advisory and Ethics Committee and Honorary Consultants for their kind help and support to this Foundation. I am also happy that all Medical, Paramedical, Administrative and all other Categories of staff have sincerely contributed to the development of the Foundation.
